Profile

Pradyuman is member of the Firm’s Dispute Resolution and White Collar Crime practice groups. Over the last few years, his disputes practice has been focused on high growth sectors of infrastructure & project finance including metro rail projects, road and highways, integrated townships, SEZs, amongst others.

Pradyuman has rich and diversified experience in advising multinational corporations (including several Fortune Global 500 companies) on sensitive and high-stake White Collar Crime cases, employee frauds, and investigations by the police and other Government agencies including the Economic Offences Wing (EOW), the Central Bureau of Investigation (CBI), the Enforcement Directorate (ED) and the Serious Frauds Investigations Office (SFIO).

With a decade plus of professional experience Pradyuman brings on board expertise in handling litigation arising out of mainstream corporate commercial disputes and also litigation in the entire gamut of jurisdiction across various High Courts and the Supreme Court of India. Pradyuman has also worked on Aviation finance matters.
